Dear Ms. Dortch:

On June 3, 2011, Maggie Wilderotter, Chairman and CEO, Frontier Communications, and Kathleen Q. Abernathy, Chief Legal Officer and Executive Vice President, Regulatory and Government Affairs, Frontier Communications, met with Eddie Lazarus, Chief-of-Staff for Chairman Genachowski, to discuss the above-captioned proceedings.

Ms. Wilderotter and Ms. Abernathy used the attached presentation to discuss Frontier's positions on intercarrier compensation and Universal Service Fund reform. Ms. Wilderotter and Ms. Abernathy emphasized that because both intercarrier compensation and Universal Service Fund revenues play a significant role in enabling Frontier to deploy broadband to challenging rural areas today, the Commission should be mindful of how these reforms will affect Frontier's ability to continue rural broadband deployment in the future.

Please feel free to contact me with any further questions.

Sincerely,

/s/
